Subject: Mandatory ECF in multiple counties

I am an attorney that practices throughout NYS. E-filing should be mandatory in every Court. It is a much more efficient method of receiving and reviewing filed documents, and it eliminates waste.

Sir/Madam:

I believe one of the most important questions to answer is: How will pro-se litigants who do not have the ability or equipment to eFile do?

Thank you.

Subject: Fw: NOTICE OF MOTIONS SHOULD NOT BE PERMITTED TO BE FILED WITHOUT THE SUPPORTING PAPERS

Subject: NOTICE OF MOTIONS SHOULD NOT BE PERMITTED TO BE FILED WITHOUT THE SUPPORTING PAPERS

To Whom It May Concern:

The E-Filing system should not be permit a notice of motion to be docketed unless it has supporting papers. If you need an example of what I am referring to I can provide one. But I had a lawyer file a notice of motion and two amended notice of motions in an effort to preserve his time to move to vacate the note of issue. It is extremely frustrating that such a thing could happen. If we still filed motions at the clerks office a notice of motion would not be accepted form an attorney without supporting papers.
