## I. BACKGROUND INFORMATION

The New York State Unified Court System (UCS) Office of Court Administration's Division of Professional and Court Services is soliciting proposals for the purpose of establishing a contract to coordinate and provide treatment services for the Peekskill City Drug Treatment Court (PDTC).

UCS operates problem-solving courts, among them drug courts, which help judges and court staff respond to the needs of litigants and the community. Problem-solving courts look to the underlying issues that bring people into the court system, employ innovative approaches to address those issues, and seek to simplify the court process for litigants. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and criminal justice professionals in the local community. In return for a promise of a reduced sentence, appropriate non-violent addicted offenders are given the option of entering voluntarily into court-supervised treatment. The rules and conditions of participation are clearly stated in a contract entered into by the defendant, the defense attorney, the district attorney, and the court.

## II. PROJECT INFORMATION

UCS is the recipient of a grant awarded by the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (BJA), for the purpose of funding the PDTC program (the BJA grant award is hereinafter referred to as the "Project"). The BJA grant period is January 1, 2019-December 31, 2022 (hereinafter, "Grant Term"). UCS seeks recovery support services for Phase III drug court participants in the services (hereinafter, "Project Services") to PDTC.

Responsibility is determined in accordance with the criteria articulated in the paragraph contained in the Article X, General Requirements headed, "Responsible Applicant."

Proposals will be reviewed and rated by a team comprised of qualified UCS staff.

In the event of a tie composite score, the applicant with the higher cost score will prevail.

Proposals will be scored as follows:

<b>Technical Criteria (70%)</b>	<b>Maximum Points</b>
Capacity	15
Program plan	50
Staffing plan	15
<b>Maximum Technical Points</b>	<b>80</b>
Cost	20
<b>Maximum Cost Points</b>	<b>20</b>
<b>MAXIMUM TOTAL POINTS</b>	<b>100</b>

Organizational capacity and program and staffing plan criteria are contained the Rating Tool attached as Exhibit 3 hereto.

Cost submissions will be scored as follows:

The proposal with the lowest cost will be awarded maximum points (30); each higher cost proposal will be award points according to the following formula:

$$\frac{\text{lowest cost proposal}}{\text{higher cost proposal}} \times 20$$

For example: Assuming the lowest cost proposal is \$100 and the next higher cost proposal is \$125, the \$100 cost proposal would be awarded 20 points and the \$125 cost proposal 24 points based on the following computation:

$$100 \div 125 = (.8) \times 20 = 16$$

*Note: A minimum Technical Criteria point score 35(average of all evaluators) is required for an award to be made.*

**Terms and Conditions Applicable to Materials Produced Under the Agreement**

1. Contractor acknowledges and agrees that UCS has ordered and/or specially commissioned the services, deliverables and materials that Contractor is required to produce pursuant to this Agreement (the "Work"), whether in written form, on tape, computer-readable media or other tangible form. Except as otherwise specified in this Appendix B, Contractor agrees that (i) UCS shall be the sole owner of the Work and (ii) the Work shall be considered a "work made for hire" as that term is used under federal and state law. UCS or its authorized designee shall have all right, title and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a "work made for hire," Contractor hereby irrevocably grants, assigns, transfers and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage of thereof, Contractor shall deliver all such Work to UCS.
2. Contractor represents and warrants that the Work shall be created solely by Contractor, be original, and does not infringe upon any the copyright, trademark, patent or other proprietary rights of any third party, including without limitation the right to use or display the name, face or likeness of any person. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face or likeness of any person, unless Contractor has (i) advised UCS of this and (ii) the appropriate written authorizations, releases, licenses or other permits to allow UCS and Contractor to use the Work and any other materials used in connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.
3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation or termination by Contractor for any cause whatsoever.
4. If applicable, Contractor shall own and retain all proprietary rights to any materials produced by Contractor prior to the Effective Date, or not as a result of this Agreement ("Contractor's Property"), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby licenses to UCS or its authorized designee, in perpetuity, at no additional cost or expense, the non-exclusive, irrevocable worldwide rights to reproduce, display and otherwise use Contractor's Property as part of the Work.
5. If master tapes are created in the production of the Work, upon receipt of final payment for the Work, Contractor will provide these to UCS, except for the master tapes to Contractor's Property (if applicable).
6. If requested by UCS, Contractor shall include in the Work a copyright notice in the following form: "Copyright (or ©) [year] New York State Unified Court System". All rights reserved." If applicable, the notice shall be computer-readable and

clearly visible to viewers for at least three seconds.

7. Contractor shall indemnify, defend and hold UCS, its administrative officers, directors, employees and authorized agents harmless from and against all claims, costs, liability and damages, including reasonable attorneys' fees and disbursements (i) resulting from the Contractor's breach of representation or warranty made herein or (ii) arising in connection with an allegation that UCS's use of the Work (if any) or any other deliverable, if any, infringes any patent, trade secret, copyright or any other proprietary right, including without limitation the rights to use or display a person's name, face or likeness.

8. This Appendix B shall survive expiration or termination of this Agreement.
