

Q&A
Request for Proposals #064
Human Trafficking Intervention Court Services in Buffalo, New York

1. Are we supposed to submit a separate budget form for each of the 3 contract periods?
 - A. Yes. A line item budget proposal must be submitted for EACH period within the term AND for the entire term. The budgets submitted for the three distinct periods within the term must total to the budget for the entire term.

2. What contract period(s) do we need to include in the budget narrative?
 - A. The contract term budget proposal should be discussed in the budget narrative, which will necessarily require discussion of the individual period budget proposals that comprise the entire term.

3. Where will the annual mandatory grantee meeting be held?
 - A. The location of this meeting varies from year to year. Past meetings have been held in National Harbor, Maryland; Anaheim, California; and Houston, Texas.
